

LETTER OF RECOMMENDATION

As the Deputy Manager, Seating Frames within Faurecia Interior Systems India Pvt. Ltd. I had the pleasure of knowing Mr. Narayan Iyer both professionally as well as personally for the past two years. It is with utmost pleasure and great pride that I am writing this recommendation letter for Mr. Narayan for his pursuit of higher studies.

In my observation, he has the capability of completing the tasks assigned to him in an efficient manner, making him intellectually independent. Also, he has great communication skills which was evident from the daily meeting he had with the counterpart and at the same time working cohesively with his team to achieve organizational objectives.

Mr. Narayan is quite ambitious, hardworking and career driven. Hence, I strongly recommend his application to your esteemed University, which would help him in realizing his goals.

I concur with his decisions to pursue higher education and strongly recommend his candidature for higher studies. I wish him all the best for his future.

Yours Sincerely,

14/08/18
